The Honorable Edward M. Chen
United States District Court Northern District
450 Golden Gate Avenue
San Francisco, CA 94102Re: **Keisha Hawkins v. Berkeley Unified School District**
Case No.: C07-CV-04206-EMC (JL)

Dear Judge Chen:

We write to request that the Case Management Conference ("CMC") currently scheduled for September 15, 2008, be taken off calendar. The parties, through counsel, have been able to resolve the dispute regarding the terms of the settlement agreement. We are currently in the process of fully executing the settlement agreement by obtaining the signatures of the parties. Therefore, we are of the opinion that the CMC scheduled for this Wednesday is no longer necessary. The parties, through counsel, are prepared to proceed with the briefing schedule on the motion for attorney's fees set forth by this Court at the last CMC in this matter held on August 6, 2008.

Thank you for your attention to this matter.

Respectfully submitted,
